# Yamaha MONTAGE M8X 88-Key Synthesizer

- Deliver inspired performances with 400-note total polyphony across 3 engines
- Recreate classic analog synthesizer sound enhanced by sophisticated dynamic control with the AN-X engine
- Achieve smooth transitions between sounds with Seamless Sound Switching
- Elevate performances with Polyphonic Aftertouch – individually modulate held notes with pressure
- Add dimension to performances with new controls, including dedicated Keyboard, Part and Scene controls
- Replicate the MONTAGE M in your favorite DAW with the Expanded Soft synth Plugin (E.S.P.)

# YAMAHA MONTAGE 6

The Motion Control Synthesis Engine unifies and controls two iconic Sound Engines: AWM2 (high-quality waveform and synthesis) and FM-X (modern, pure Frequency Modulation synthesis.)

Motion Sequences are tempo-synchronized, completely customizable control sequences that can be assigned to virtually any synthesizer parameter and provide incredible new ways of creating sound.

Montage features professional, stereo balanced outputs with "Pure Analog Circuit" digital to analog conversion.

Eight rotary encoders and faders with step ladder LED

From high definition reverbs to incredibly detailed Virtual Circuit Modeling (VCM) effects, Montage is loaded

# YAMAHA MONTAGE 7

## FEATURES

- AN-X, AWM2, and FM-X sound engines
- AN-X models classic analog synthesizer sound and behavior
- AWM2 with 128-element architecture delivers more articulations, dynamics, and high-definition sound
- FM-X 8-operator FM synthesis generates modern, dynamic synth sounds
- Pure Analog Circuit 2 provides clear harmonic reproduction
- 5-segment ribbon controller with dedicated Hold button
- Keyboard Hold button lets you sustain chords while tweaking knobs
- Portamento on/off button and dedicated Portamento Time knob
- Dedicated Keyboard, Part, and Scene control buttons provide control over 16 Parts per Performance
- VCM Rotary Speaker effect and realistic drawbar behavior for authentic organ sound and control
- 16 Library slots for thousands of custom user Performances and waveforms
- 400-note polyphony (AWM2 Preset: 128, AWM2 User: 128, FM-X: 128, AN-X: 16)
- 9.97GB Wave ROM Preset memory, 3.8GB Flash ROM User memory

# YAMAHA MONTAGE 8
